You can FUND us.

Founded in 2019 by a businesswoman and philanthropist, Malehu Anna Langa, known as Mali Langa. The Mali Langa children's foundation is currently collaborating with a celebrity chef, Chef Benev. The fund is open to working with any interested parties, individuals, organizations, and NPO's.

Mali Langa (born Malehu Anna) is an award-winning, dynamic and enigmatic businesswoman, mother, wife, and creative. She hails from the beautiful Limpopo province in South Africa but in all facets of life, is a true African woman at heart. With a professional background in interior décor, Logistics, and Insurance sectors, Mali has earned hands-on experience in a wide range of business areas both at an executive level and in an entrepreneurial capacity. With a keen nature for continuous professional developments, Mali has founded multiple commercial ventures across diverse industries, her latest involvement being TASK Interior Styling. The interior Styling boutique established in 2016 and within three years, has reached an award-winning status with Mali at the helm. Mali completed a Certificate in Applied Logistics and Supply Chain Management from Wits Plus. She has recently completed the Women in Leadership Programme with Wits Business School and is concurrently working towards obtaining a Bachelor of Business Administration through Regenesys Business School. The Mali Langa Children's foundation's offices located in the heart of Sandton at 28 Fricker Road, Illovo, Johannesburg.

The Mali Langa Children's Foundation Trust focuses on lending a helping hand to underprivileged young children by identifying their most dire needs. We intend to focus on putting a smile on the faces of kids but also supplying them with the tools they need for school, in addition to finding deserving candidates to whom bursaries well rewarded. A particular focus will be placed on young girls and sponsoring sanitary ware, fighting period poverty in schools. We are currently running campaigns - feminine hygiene drive and assisting with the funding of the grade 7's sendoff eventy for Thuthukani Primary School in Mpumalanga. We are also helping the young children at Shalom orphanage home in Ogies. We have approached a few companies for assistance with the campaigns, and we have received a great response. Those needing help from The Mali Langa Children's. We are currently funding the MLCF ourselves, and we get support from various organizations and individuals in and around Johannesburg. We also ask for assistance through feminine hygiene drive and pad drive on social media. For more information, please visit our website: www.themlcf.com. We want to take this opportunity to convey our gratitude to everyone that assisted us with this great initiative.

"Take my hand, **let me walk with you**"
